2015 Jan - (Current)
Cyberninjaz Tech Camp.

Creative Director

(website, video, graphics, emails, ads, and promotional).

At Cyberninjaz I've taught many different classes such as 3D, game design, web management, and animation. In addition to teaching, I'm responsible for all art directions related the design and development of the website. At Cyberninjaz we work in a fast pace environment creating games, interactive projects, and much more.
